

## **BOHEMIAN LILY TO JOIN THE STABLE FOR CRACK AT THE TRIPLE CROWN SERIES**

### **BOHEMIAN LILY**

You can imagine my surprise when I received a phone call from Bohemian Lily's owner Kevin Hickman outlining his plans and asking if I'd like to train her to achieve them. Talk about a no brainer.

Finishing 4<sup>th</sup> in the Group 2 Royal Stakes at Ellerslie she then went to Gai Waterhouse's stable in Sydney before heading to race in Queensland. Winning the Listed Gold Coast Bracelet she went on to win the Group 2 "The Roses" before injury ruled her out of the Group 1 Queensland Oaks.

Once recovered she finished 3<sup>rd</sup> in the Group 2 Moonee Valley Cup behind The United States and eventual Melbourne Cup winner Prince of Penzance and also ran 3<sup>rd</sup> in the Herbert Power Stakes.

The plan is to have her pre-train at Kevin's first class facilities in the Waikato (Valachi Downs) and come down once this is completed.

As we've found out before with Group 1 winners Jimmy Choux and Survived, there's a lot to be said for the climate in Hawke's Bay over the winter and being just ten minutes from the racecourse means they're back in the paddock within an hour of the race once swabbed.

Certainly exciting to have another headline horse in the stable.

### **KNIGHT'S PRINCESS BREAKS THROUGH AT WOODVILLE**

**KNIGHT'S PRINCESS**

Like her full brother The Knight before her, Knight's Princess took the same number of runs (12) to break Maiden ranks and she did it in style at Woodville last month.

Ridden by apprentice Lee Magorrian he quickly settled her back in the running and although it was a slow pace she accelerated, pinned her ears and took the gaps when asked and sprinted hard to get up on the line.

It was great to have her owner Shirin Wood on course to enjoy this victory and I know some in the syndicate already have the photo for their wall ordered. The way she's trained on since I'm confident she'll follow in the footsteps of her big brother and post more wins in the near future.

## **NOTIONANNIGANS AND ROBBIE HANNAM TO THE FORE AGAIN.**

**NOTIONANNIGANS**

Robbie Hannam has now had two wins on Notionannigans and both times he's seized the initiative, taken her to the front and pulled their pants down. He said afterwards he always knew she'd be hard to beat if he could get a soft sectional or two as she's got a good turn of foot.

That's just what he did when he sprinted off the top of the turn into the straight and put 3 lengths on them....good night nurse.

Her syndicate are as enthusiastic as any we have in the stable and it's been a good season for them. Molly will now go out for a well-deserved break before attacking the spring.

## **LADY ZAFIRA BOUNCES BACK TO WINNING FORM**

We've written on numerous occasions about the exploits of Lady Zafira. Her record currently stands at 19 starts: 4 firsts, 4 seconds, 7 thirds and she has only missed out on weighing in on two occasions.

Last Saturday at Hastings she showed yet again why she's one of the most honest mares around with a gutsy win her first time over 1600m.

Raced by the Lady Zafira Syndicate the grandstand was eerily quiet as she passed the winning post with no-one sure about the result. Fast forward to the judges' call and it's cheering and laughter all around before heading to the winners' enclosure to hear jockey Rose Myers account of the win.

And should we mention the bubbles and night out afterward 😊

Provided we get a fairly decent surface at Rotorua next Saturday she'll have a crack at the Listed Rotorua Stakes 1400m. With the tracks sure to deteriorate over the coming month it could be her only chance before next season to gain some Black Type on her pedigree page.

## SYNDICATION

### WATERFORD SYNDICATE

**O'REILLY/PRINCESSABEEL (Filly)** - By O'Reilly out of a Savabeel mare, two of Waikato Studs premier stallions, this yearling filly is almost fully syndicated with just 5 shares remaining.

Foaled on the 12<sup>th</sup> of November 2014 she is going to need a little time in the paddock before the breaking in process. This will allow her bones and joints to further mature before commencing the rigours involved with training and will stand her in good stead going into her racing career.

From what I've seen when they're running around...she's got leg speed and a good stretch about her.

Bred on the now proven O'Reilly-Zabeel cross it will be interesting to see what develops over time as she has an excellent mixture of speed and stamina present in her pedigree with winners from 1000m to 2400m

COST PER 10% SHARE; \$3,200.00 (GST inclusive)

As this filly won't be broken in immediately the initial monthly payment which commenced 20 April 2016 has been reduced to \$200.00 per month. After the filly has been broken in and comes into full training the monthly payment will increase to \$340.00 per month per 10% share.

5% shares are also available in this horse with the cost being \$1600.00 (GST inclusive) plus ongoing costs pro-rata as outlined above.

### BIG BURGER SYNDICATE

**BURGUNDY/SILK SLIPPERS (Gelding)** – By first season sire BURGUNDY, a half-brother to Darci Brahma, he is out of half-sister to Group 1 winners HURRICANE SKY (All Aged Stakes & Blue Diamond Stakes) and UMATILLA (WATC Karakatta Plate 1200m) with the immediate family featuring proven winners REDOUTE'S CHOICE, MANHATTAN RAIN, RUBICK, NIAGARA, AL MAHER and GATHERING.

I first saw him last year at Cambridge Stud and was immediately taken by his athleticism and "look at me" demeanour. Fast forward to the Karaka sales and here was a horse not only beautifully balanced, but had further matured physically giving a glimpse of his potential as a two year old and further into his career.

He is currently being broken in and I expect him to be back here in two to three weeks.

His pedigree page can be viewed at the link below (copy and paste into your web browser)

COST PER 10% SHARE: \$6,850.00 (GST inclusive)

The monthly instalment from 1 May is \$340.00 per month per 10% share.

5% shares are also available in this horse with the initial cost being \$3,425.00 (GST inclusive) and monthly instalments of \$170.00 per month.

Thanks to Peter Rubery of Race Images Palmerston North for providing the winning post photos.

I couldn't finish this newsletter without mentioning RECITE. The photo above was bought for me by my staff and it now proudly hangs in our "smoko room". She took us to Group 1 heights....but more importantly she touched our hearts and will never be forgotten. Thanks Gem.

All the best and I'll see you in the winner's circle.
